

BASIC SITE PLAN SAMPLE

A Site Plan **must be supplied** to obtain required Zoning and Construction Permits. This sample site plan should give you an idea of the information which should be included. Indicate on site plan ALL structures (Home, garage, barn, or other accessory structures) and distances from lot lines to each structure and distance between structures. NO detached structure may be closer than 10 feet from any portion of the structure to the next structure. This sample is intended to provide a guide for drawing a site plan. DO NOT USE THIS SAMPLE FOR YOUR SITE PLAN.

SITE PLANS SHOULD BE ON MINIMUM SIZE 8-1/2" X 11" SHEET OF PAPER. YOU MAY ALSO CALL THE ZONING & PLANNING DEPARTMENT AT 921-4811 OR STOP IN TO THE TOWNSHIP OFFICE SHOULD YOU NEED ASSISTANCE OR HAVE ANY QUESTIONS.
